Subject	CLEAN FIXTURE RECAP - MV SEREN TALON / Almadra Agro Inputs FZE

We are pleased to confirm the following clean fixture, all subjects lifted:

Vessel: MV SEREN TALON (IMO 9834571)

Cargo: 30,000 metric tonnes granular urea in bulk (5% more or less in Owners' option)

Load/Discharge: 1 SB 1 SP Port Qaseem / 1 SB 1 SP Santa Rilla

Laycan: 25-30 May 2026

Freight: USD 31.75 per metric tonne FIOST

Load rate: 6,000 MT per WWD SHINC

Discharge rate: 5,000 MT per WWD SHINC

Demurrage: USD 14,250 per day pro rata / half despatch on working time saved (amends Cl. 9)

NOR (amends Cl. 8): Notice of Readiness to be tendered **only upon arrival at the customary anchorage within the port limits** of the discharging port, WIBON / WIFPON / WCCON. The words "whether in port or not" are deleted. Laytime to commence **6 running hours** after tender of valid NOR.

Claims (amends Cl. 20): demurrage claims to be presented with supporting documents within **120 days** of completion of discharge.

Otherwise as per Owners' form BOS-VOY 2024 with logical amendments as per this recap. In case of conflict, this recap prevails over the printed form.

Commission: 1.25% address + 1.25% Seahaven.

Many thanks for the fixture.

Best regards,

J. Whitcombe - Dry Cargo Desk, Seahaven Chartering Ltd.
